LINATE

Milano Linate

The image shows the facade of the Milano Linate airport terminal. The name 'Milano Linate' is written in large, white, serif capital letters across the top. A red square is positioned between the two words. Above the letters, a tall antenna tower with several vertical poles is visible against a clear blue sky. Below the main sign, the terminal's structure is visible, featuring a series of green support columns and a white railing in the foreground.
